Benning Road Transportation Improvements Environmental Assessment

The Federal Highway Administration (FHWA) and The District Department of Transportation (DDOT) are preparing an Environmental Assessment (EA) for the proposed Benning Road and Bridge Multi-modal Transportation Improvements per the requirements of the National Environmental Policy Act (NEPA). The project will also include evaluation of historic resources per Section 106 of the National Historic Preservation Act.

The study area is along Benning Road NE from Oklahoma Avenue to the Minnesota Avenue and Benning Road Metrorail Stations.

At today's meeting we would like your feedback on potential multi-modal transportation improvements for the study area.

The purpose of today's meeting is to:

- Provide information about the NEPA and Section 106 Process
- Provide information on public FAQ's from public scoping meeting
- Get feedback on strengths and weaknesses of concepts to be developed by project team

Tell us what you think:

- Work with the Facilitators
- Share your Ideas and Concerns
- Fill out a Comment Form

The study team will be hosting a series of public meetings throughout the Environmental Assessment (EA) process.

- Public Meeting 1, Scoping Meeting: April 22, 2014
- Public Meeting 2, Alternatives Development Meeting: May 28, 2014
- Public Hearing: Fall-Winter 2014
