

WELCOME TO OPEN HOUSE #2

Today is your opportunity to get an update on the project and provide input on four focus areas:

- Corridor concept designs
- DC-295 and Benning Road interchange Build Alternatives
- Design aesthetics
- Environmental considerations
 - DDOT will be completing an environmental review pursuant to the National Environmental Policy Act (NEPA) of 1970 for the proposed project. DDOT will be coordinating the proposed project with the State Historic Preservation Board (SHPO) in accordance with the Section 106 of the National Historic Preservation Act of 1966 (NHPA). Individuals or organizations with demonstrated interest in the project or who have comments about the project's effects on the historic resources may submit a request to the DDOT project team to become a consulting party.

Please take the time to examine the information provided, ask as many questions as you wish, and give us your comments and suggestions.

Please submit all comments by March 5, 2020. All comments received will be reviewed and considered by the project team.
